SUMMARY

Front-End Developer with extensive web development experience updating and maintaining internal and external websites using content management systems for in-house companies. Graduated Summa Cum Laude and holds a Bachelor of Science in Multimedia Design and Web Development. Currently enrolled in the SMU Web Development Bootcamp. My strongest skills are design and usability.

TECHNICAL SKILLS

- HTML, CSS, JavaScript/jQuery
- Git and GitHub
- Responsive Design
- Twitter Bootstrap
- Wireframing
- Firebase
- Client-Side-Storage
- Adobe Creative Cloud products

PROJECTS

Bootstrap Portfolio | Github Repository | My Bootstrap Portfolio
The goal of this project was to create a portfolio website using Bootstrap's framework.
- *HTML, CSS, Bootstrap*

RPG Game | Github Repository **|** RPG Game
Endless fighting between user created characters.
- *HTML, CSS, AJAX Request, APIs, jQuery*

BamazonCustomer | Github Repository
Create an Amazon-like storefront with the MySQL skills you learned this unit. The app will take in orders from customers and deplete stock from the store's inventory.
- *jQuery, MySQL, Inquirer, Node.js*

RELEVANT WORK EXPERIENCE

WEB DESIGNER   JANUARY 2017 - AUGUST 2018
The Insource Group, Inc., Dallas, TX
Client: *First Command Financial Services, Inc., Fort Worth, TX*
- Redesigned specific sections of web content to be inline with mobile first design
- Generated an inventory list of less than 500 webpage links from both public websites and delivered final product in less than a week within a 2-3-week deadline
- Provided a solution for collecting metrics (Google Analytics cannot track based off setup of intranet template) over Town Hall meetings, and CIO Monthly Conference Calls by adding a new page to intranet site and embedding media codec compatible for Internet Explorer

- Assisted the Marketing Insights Manager by writing out HTML code for a simple template used to help visualize survey collection concept, and imagery prior to sending out to Advisors

HTML DESIGNER   MARCH 2014- APRIL 2015
Digital Alchemy, Inc., Fort Worth, TX
- Recommended the best designer in-house by assigned clients and supervisor
- Produced a quick mockup for client and was approved same day
- Implemented an idea to the CEO to help speed up the process of building a comment card
- Launched from start to finish 25+ email templates per month

WEB DEVELOPER / WEB DESIGNER INTERN   APRIL 2013- JANUARY 2014
Nautilus Hyosung America, Inc., Irving, TX
- Designed and coded a 30 second advertisement banner at 18fps within 48 hours
- Devised a new idea for our tagline

ADDITIONAL EXPERIENCE
TRAINING DEVELOPMENT ASSISTANT   SEPTEMBER 2015 - DECEMBER 2016
Shermco Industries, Inc., Irving, TX
- Developed Shermco U Resource Catalog less than a month with 50% done in two days
- Brainstormed and implemented the Shermco U flyer and produced draft on same day

CLERICAL ASSISTANT   JANUARY 2008- APRIL 2013
AXA-ADVISORS, Fort Worth, TX
- Entered 100 clients into the address book in one day
- Handled large file stack of client folders in less than a week
- Copied and compiled large stacks of Commission Statements to be mailed out on the same day
- Established a record since 2008 of making sure that all important documents had not gone missing during an audits
